Julian Velasquez

United Kingdom

Studio and Location work undertaken home or abroad.

Experience

Photographer

Dennis Publishing

London
Apr 2010 - Oct 2013

Worked as in freelance photographer for this period, employed directly from Tapestry.co.uk to work for Dennis Publishing working on different titles such , PcPro, Computer Shopper, Women's Fitness, Health and Fitness, amongst other.

"Julians work has always been to very high proficiency and has recently been working closely with the Editor and Art director of a Womens health & and fitness consumer magazine on a redesign, helping to create a fresh new style, look & feel importantly, the message from the imagery." Jeff Keane MD Tapestry

Photographer

Avon Cosmetics

Northampton UK
Jan 2005 - Jan 2010

I worked as a freelance photographer with the Avon in house studio team for 5 years, alongside the art directors of different Avon brands, great and smooth workflow to produce 18 brochures a year, mainly concentrating in the jewellery department.

"Julian seamlessly worked alongside our full- time staff producing creative photography for a diverse range of products in the Avon portfolio always pushing the standards on creativity and technique. In recent times we utilised Julian's skills on our jewellery business to raise the creative and production standards. This has been a huge success and has gained much Global acclaim with our UK photography being held as the "one to beat" " Larry Gerard. Head of Creative Avon
