chaparobert6395@yahoo.com
706-955-6395 mobile

Detail-oriented professional with 4+ years of experience providing quality graphic design, print production, and marketing materials. A creative design specialist with a bachelor's degree in web media, excellent communication skills, and understanding of design principles, color theory, and typography. Proficient with Adobe Photoshop, Illustrator, InDesign, Premiere, MS Word, PowerPoint, Excel, and Teams. Capable of presenting visually compelling designs and artwork. Able to contribute creative solutions in a team-collaborative environment.

Experience

Multimedia Illustrator

United States Army

Fort Gordon, Georgia
Apr 2007 - May 2010

Created promotional materials, signage, brochures, and flyers. Maintained and updated archive of images, designs, photos, and customer work order data. Conferred with clients to review digital photography, composition layouts, and proofs. Developed visual content for brand merchandise, campus-wide events, and mission operations.

Media Specialist

Technology Transfer Services

Tampa, Florida
Nov 2010 - Mar 2012

Collaborated with operations team to ensure quality of science, technology, and occupational courses. Synchronized motion graphics with narrations for use in visual presentations. Crafted communication materials to engage, educate, and inform users with interactive training.

IT Blended Technician

CompuVision Systems USA, Inc.

Freeport, TX
Apr 2018 - Jun 2020

Provided technical assistance for customers in preparation for workstation configurations. Managed computer inventories, assigned equipment to users, and activated network ports. Installed hardware, software, and provided direct and virtual technical support.

Print Operator

Southwest Signs

San Antonio, TX
Aug 2012 - Jul 2013

Performed preventive maintenance and repairs on print equipment to ensure proper operation. Created concepts and layouts based on knowledge of design principles.
