Marilyn Clark

LUXURY REAL ESTATE

Sagaponack, New York

marilynclark33@gmail.com
office

Marilyn Clark joined Sotheby's International Realty in 1999 and quickly earned the title of Senior Vice President and Licensed Salesperson. For the past three years Marilyn has ranked among the top 10 agents in the Hamptons for Sotheby's International Realty. Her intimate and broad knowledge of the Hamptons gained as a native of East Hampton and referrals from satisfied customers have resulted in listings and sales of numerous exquisite and highly sought-after properties including several oceanfront properties in Sagaponack. She has a reputation for being the calm in the storm and a powerful, effective negotiator. Prior to real estate, Marilyn honed her skills in the world of high fashion and modeling, where flexibility coupled with persistence were paramount for success. She was discovered while attending East Hampton High School by renowned photographer Bruce Weber and was featured on the covers of numerous international magazines including Elle, Marie Claire, Vogue and Seventeen. While living abroad for 10 years in Milan and Madrid, she became fluent in Spanish and established a network of international friends and colleagues. Marilyn has always maintained a residence in Sagaponack and currently lives there full time with her husband and two daughters, Raquel and Alexandra. Her daughters have followed in her footsteps and have a passion for the equestrian world. From a young age the girls have ridden horses and continue to compete in the Hampton Classic each year. In 2011, Marilyn was the #5 agent in the Hamptons for Sotheby's International Realty.

Experience

Sr. Vice President

Bridgehampton, New York
- Present
