Kate Irvine

DESIGNER

St. Paul, MN

kathryndirvine@gmail.com

I am an experienced design leader, skilled at developing creative solutions, managing the entire design process and adept at building key relationships with clients. I am seeking a position in the design industry that will continue to provide creative problem solving opportunities, encompass project management and incorporate client connections.

Professional Experience

Senior Interior Designer, IIDA, LEED-AP

Minneapolis, MN
Feb 2011 - Apr 2020

ESG Architects

Manage multiple projects and project teams across conceptual, schematic, design development and construction document and installation phases.

Develop and deliver client presentations using InDesign and Enscape.

Document project information using Revit to include: Reflected Ceiling Plans, Finish Plans, Elevations, Details and FF&E plans.

Curate, specify and manage FF&E and Art Packages from inception through installations.

Build key client relationships by providing design solutions that exceed expectations and meet budgets without compromising quality or design intent.
