GRAPHIC DESIGNER

Berlin

Hello, I am Verena a mango loving freelance Graphic Designer and teacher based in Berlin. One of my specialty is Cover Design but I also thrive on other tasks that involve creative thinking and design. If you have questions, inquiries or want to collaborate please drop me a line at moremangoplease@gmail.com. Looking forward to hearing from you! Remember, moremangoplease works well for you.

Teacher, Boarding Mentor and Assistant

Berlin, Bath, Cardiff

International and local Schools

In the past 8 years, I was lucky enough to gain lots of experience from working in the education sector. It is never boring, challenging as well as rewarding working with children and teenagers. Also, there are some fantastic and dedicated educators out there who enrich young lives with their commitment who I had the opportunity to meet and work with.
