+41763319829 mobile

Cesar Sommer is a swiss based international working photographer. He has photographed the likes of: FatmanScoop, Redman, Sebastian Ingrosso, Paul Oakenfold, Zedd, Above & Beyond, Afrojack, Fedde le Grand, Bobby V, Chuckie, Run-D.M.C. (Darryl McDaniels), Actor Jon Foo and so on.

Cesar Sommer is also photographer / producer of stereoscopic 3D content.

He is most known as one of the first "Digital 3D" photographer worldwide using the 3D technology for digital media & hardware. As logical extension NVidia contacted him to collaborate. His first 3D Portfolio was used as demo content of youtube in 3D at CES 2009 which led him to get noticed international by such as: Bob Johnston 3D content producer (Streetdance 3D, My Bloody Valentine etc.), Ben Grossmann Oscar winning SFX Supervisor (Martin Scorsese Hugo 3D) or even the NASA. For 3D visit: [www.artistsin3d.com](http://www.artistsin3d.com)
