Experience

Graphic Designer/Web Developer

Graphic Moxie

Work closely with clients to design and produce websites and print media with the look and feel of client brand. Basically, about the same duties as Triovisions but with better client relationships, cleaner design and using modern web technologies and standards.

Wilmington, NC

Feb 2008 - Present

Graphic/Multimedia Designer

Triovisions

Conceptualized and delivered a variety of design mediums based on client needs. Helped steer clients in right direction to maintain brand integrity and a consistent appearance. Work produced included brand and identity design, print campaigns, editorial and publication design, web design, video editing, story boarding and motion graphics, DVD authoring and packaging.

Wilmington, NC

Jun 2005 - Feb 2008

Print Department Manager

Dallas, TX
Jul 2003 - Jun 2005

The Best Group

Oversaw color-output department to produce print projects to customer's needs. Created, manipulated and output various print projects from offset press to web. Managed two-person department to maintain smooth workflow and integration with other company departments. Developed and maintained a number of company and client websites.
